

WHY CHOOSE US?

I'm Duncan Neverman, a certified massage therapist and intuitive healer. I've always had a natural ability to sense what's happening beneath the surface, which led me to a clear purpose—helping others find relief, balance, and healing.

I invite you to experience the calm, restorative energy of our homestead, where I combine training, intuition, and hands-on techniques to support your well-being.

What I Offer:

- Certified Massage Therapy tailored to your body's needs
- Reiki Energy Healing to support balance and relaxation
- Intuitive Healing to identify and address deeper tension patterns
- Sound Healing with tuning forks to promote energetic alignment
